- **FITTINGS**
- **HYDRAULIC BOTTLE JACKS**
- **HYDRAULIC CLUTCH JACK**
- **MUDGUARDS & MUDFLAPS**
- **SAFETY TRIANGLES**
- **WIPERS**

AIR & ELECTRICAL

There's no way around it: your electrical system is critical to nearly every aspect of your truck, and reliable parts ensure that you get where you're going, safely. Whether you're replacing an entire electrical assembly, beefing up your battery or just need a new bulb, Alliance Truck Parts offers durable parts to fit most heavy-duty truck makes and models on the road.

We offer a range of high performance, reliable LED lighting products made to suit small, medium and large vehicles and trailers. Each product has been specially designed to suit harsh Australian road environments to create a reliable product at a competitive price, to enable you to hit the road with confidence.

LED lighting products are manufactured to exceed ADR/ ECE standards, with IP67 dust and waterproof on all external automotive applications.

Alliance branded parts: Dependable, Affordable and Available.

- **AIR BRAKE TUBE & HOSE**
- **ALTERNATORS**
- **BATTERIES**
- **LIGHTING**
- **STARTERS**
- **SUZI COILS & COUPLING SETS**

BRAKES & WHEEL END

Brakes are one of the most vital parts on your truck and one area where you never want to compromise. You want to feel confident about the parts stopping your rig. Alliance Truck Parts offers a great range of brake drums, brake shoes & kits, spring brakes & chambers, valves which are designed to provide safe, dependable operation. Featuring rugged construction and quality components intended to reduce corrosion and equipment failure, you can rely on Alliance brakes to deliver. Alliance Brake Shoe Kits are PPAPed (Production Part Approval Process) to OE specs and manufactured by reputable OE suppliers to deliver the most reliable performance and longevity.

Alliance branded parts: Dependable, Affordable and Available.

- **AIR DRYER CARTRIDGE**
- **BRAKE DRUMS**
- **BRAKE SHOES**
- **BRAKE CHAMBERS & SPRING BRAKES**
- **SEALS**
- **SLACK ADJUSTERS**

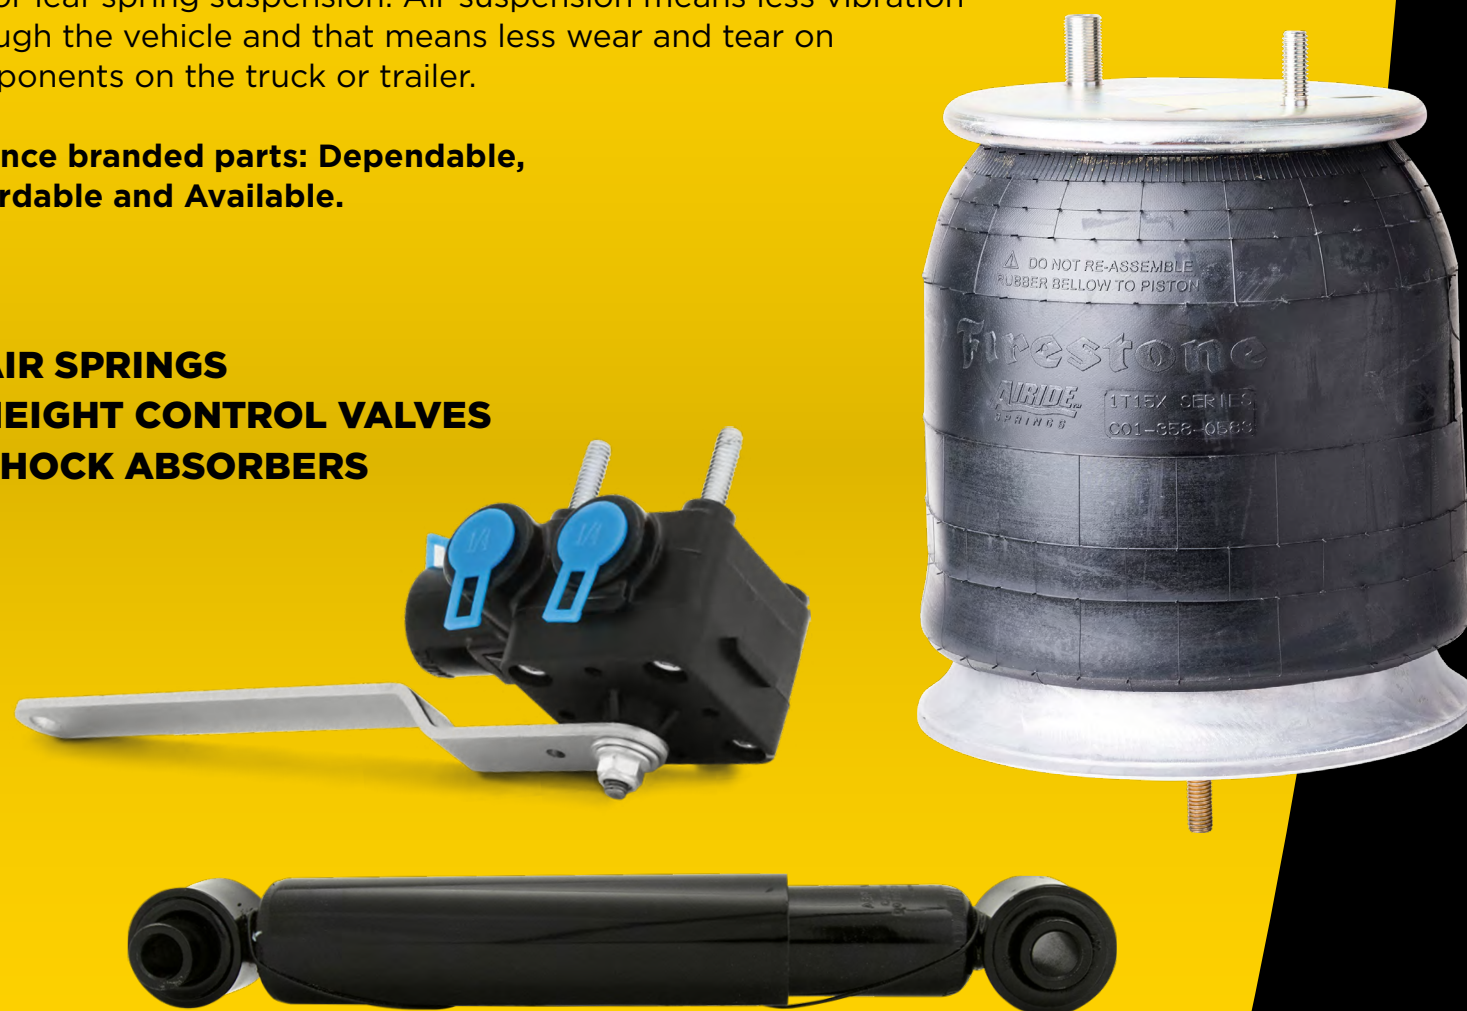

SUSPENSION

Alliance Truck Parts suspension components provide broad coverage for various applications. Designed and manufactured with high quality materials, Alliance Truck Parts suspension components offer superior functionality, reliability, efficiency and safety.

Air suspension has some significant advantages over traditional coil or leaf spring suspension. Air suspension means less vibration through the vehicle and that means less wear and tear on components on the truck or trailer.

Alliance branded parts: Dependable, Affordable and Available.

- **AIR SPRINGS**
- **HEIGHT CONTROL VALVES**
- **SHOCK ABSORBERS**

FILTRATION

Alliance Truck Parts filters are designed to remove harmful contaminants from your engine. Like the Fuel/Water Separators, which separate water from the fuel and remove large contaminants. These quality filters are designed with low restriction and high dirt-holding capacity, the clear collection bowl allows convenient viewing of water and contamination.*

Self-venting drain eliminates any accumulation of water.* Fuel systems that perform poorly impact fuel economy via increase in repairs, downtime and maintenance.

Alliance branded parts: Dependable, Affordable and Available.

*When applicable.

LUBRICANTS, COOLANTS & ADBLUE

Alliance Truck Parts provides an extensive range of factory approved lubricants and coolants which meet or exceed the specifications of today's technologically advanced low emission engines and high performance drivetrains. Products and packaging are purpose designed to simplify your business through clear labelling and approvals, as well as flexible product formulations reducing the number of products you need to store on your premises.

Alliance AdBlue® meets high purity requirements, as defined by the International Organisation for Standardisation ISO 22241-1. Storage & Pumping equipment also available.

**Alliance branded parts: Dependable,
Affordable and Available.**

- **ADBLUE**
- **COOLANT**
- **GREASE**
- **OIL**

HEATING VENTILATION & AIR CONDITIONING

A healthy HVAC system is key to your long-term comfort, so each part must be built to last. Whether it's the compressor - the heart of your truck's air conditioning system - or any one of the many HVAC parts that help condition and move the air in your vehicle, Alliance Truck Parts offers heavy-duty, low-maintenance options for long life and dependable performance in any make and model. Whichever HVAC element you need, Alliance Truck Parts are designed and crafted to prolong the operating life of your entire A/C system

Alliance branded parts: Dependable, Affordable and Available.

- **AC COMPRESSORS**
- **BLOWER MOTORS**
- **CLUTCHES**

- **CLEANING CLOTHS**
- **DISPOSABLE FLOOR MATS & SEAT COVERS**
- **GREASE**
- **PISTOL GRIP GREASE GUN**
- **TRUCK WASH**

ENGINE & DRIVELINE

Alliance Trucks Parts has launched a new clutch range offering a selection of heavy duty clutches, installation kits, clutch brakes, forks and clutch shafts, flywheels, spigot bearings and grease hoses, as it continues to expand its Australian line-up.

The clutch components are all 100 per cent new and made in the United States by one of the leading independent clutch manufacturers.

These competitively priced Alliance heavy duty clutches offer an affordable and genuine alternative to original first fit clutches and are available through the Daimler Truck and Bus dealer network. They have a 2-year unlimited kilometre warranty, while all other Alliance parts are backed by a nationwide 12 month/100,000km standard warranty (whichever comes first).

Alliance branded parts: Dependable, Affordable and Available.

- **CLUTCHES**
- **EXHAUST**
- **FILTERS**
- **FLYWHEELS**
- **REMAN TRANSMISSIONS**

COOLING & AIR

With some of a truck's downtime relating to cooling system failure, it pays to use a reliable radiator, engine system coolant and parts. Alliance Truck Parts replacement radiator with all-aluminum construction improves cooling and durability while reducing weight and crimping problems, giving you a radiator you can rely on kilometre after kilometre. Plus, reclaim lost fuel economy and optimise your engines performance with an Alliance charge air cooler featuring a unique core design that enhances durability and improves heat transfer, providing you with the power you need.

Alliance branded parts: Dependable, Affordable and Available.

- **CHANGE AIR COOLERS**
- **COOLANT**
- **ENGINE FAN**
- **FAN CLUTCH**
- **RADIATORS**
